

## **FOX WATERWAY AGENCY**

*45 S. Pistakee Lake Road ♦ Fox Lake, Illinois 60020  
(847)587-8540*

June 1, 2018

As of June 1<sup>st</sup>, 2018 the State of Illinois removed the requirement for all non-powered vessels to acquire a Water Usage stamp or a registration to be used on any Illinois Waterway. As of June 1<sup>st</sup>, 2018, the Fox Waterway Agency will still require a Fox Waterway Sticker for any boat used on the waterway, including non-motorized. Our definition of boat for non-motorized will include: canoes, kayaks, sail boats, and paddle boats.

Please note that effective June 1<sup>st</sup>, 2018, any other type of non-motorized water vessel (paddleboards) will no longer be required to have a Fox Waterway Sticker.

Also, at this time the State of Illinois is not funding for the care and maintenance of the waterway. Our Agency is able to do this with your support, your fee sustains this great and precious resource that millions depend on and enjoy. Thank you for your care of our waterways!
