April 24, 2020

FWA UPDATE

The Fox Waterway Agency continues to take a proactive approach to ensuring your's, your loved ones and your family's safety at this time on the Fox Waterway. We appreciate, encourage and value very much your ability to safely navigate and enjoy the fresh air, health and space that this awesome waterway offers us during this pandemic. There have been many inquiries on whether or not more than two people can be on the same boat on the Fox Waterway during Governor Pritzker's Stay-at-home order. Our Agency's understanding is that no more than two **unrelated** people can be together on the same boat on our waterway unless you are with your immediate family. Our office is seeking clarification from the Governor's office and will keep you updated when more information is made available. Thank you very much for your understanding and efforts to keep yourself and your loved ones safe and well during these days.

Sincerely,

Joseph S. Keller, Executive Director
Fox Waterway Agency,
Preserving our great Fox Waterway for all!
